Neighborhood Safety

Help us keep kids safe by driving <25mph.

Although we have no posted speed limit signs inside the gates, residents have been seen exceeding what would be considered a "safe" speed. Please be respectful of your neighbors and their families by not exceeding 25 mph.

Remember to keep cars and trucks left in driveway locked.

Police notified several Kimberly Crossing homeowners that their cars were broken into in May 2016.

Reminder- Cars/Trucks cannot be parked on streets overnight.

4.6 Vehicle Parking and Storage. No trucks, campers, trailers, recreational vehicles, motor homes or large commercial vehicles, nor any vehicle in the process of being repaired or otherwise presently inoperable, shall be stored or parked within the subject lands. No overnight parking of any vehicle on the street, common area or a Lot, other than a concrete driveway, is permitted.
